

Senate Bill No. 17—Senator Wiener

CHAPTER.....

AN ACT relating to health care; revising provisions governing the retention and destruction of health care records; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires that certain boards post a statement on their Internet websites that the health care records of patients who are less than 23 years of age may not be destroyed and that the health care records of other patients may be destroyed after 5 years.

Existing law requires certain providers of health care, including pharmacists, to retain the health care records of patients for 5 years after their receipt or production. (NRS 629.051) **Section 2** of this bill provides that this requirement relating to the retention of records does not apply to pharmacists. **Section 2** also: (1) requires that certain disclosures regarding destruction of records be provided to patients; (2) prohibits the destruction of health care records for a person who is less than 23 years of age until the person attains the age of 23 years; and (3) requires the State Board of Health to adopt regulations relating to the required disclosures.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

4. If a provider fails to deliver the written statement to the patient pursuant to subsection 3, the provider of health care shall deliver to the patient the written statement described in subsection 3 when the provider next performs health care services for the patient.

5. In addition to delivering a written statement pursuant to subsection 3 or 4, a provider of health care may deliver such a written statement to a patient at any other time.

6. A written statement delivered to a patient pursuant to this section may be included with other written information delivered to the patient by a provider of health care.

7. A provider of health care shall not destroy the health care records of a person who is less than 23 years of age on the date of the proposed destruction of the records. The health care records of a person who has attained the age of 23 years may be destroyed in accordance with this section for those records which have been retained for at least 5 years or for any longer period provided by federal law.

2. Any licensee who changes the location of his office in this State shall notify the Board in writing of the change before practicing at the new location.

3. Any licensee who closes his office in this State shall:

(a) Notify the Board in writing of this occurrence within 14 days after the closure; and
